Dear Grade K Families,

Your child's kindergarten teachers have provided some information for you to use to help your kindergartner practice his or her skills at home. We understand that providing for your families' well being is the first priority. If you have any concerns or questions, please don't hesitate to ask!

Your child's teachers can communicate with you through email. You will find in the Grade K folder directions for your child in signing on to a school webpage called Class Link. From here, students can choose from many websites to practice their skills.

I have listed the grade K teachers' emails below:
