Dear Grade 3 Families,

Your child's Grade 3 teachers have provided some information for you to use to help your Third Grader practice his or her skills at home. We understand that providing for your families' well being is the first priority. If you have any concerns or questions, please don't hesitate to ask!

Your child's teachers will be communicating with you through email. You will find directions for your child in signing on to a school webpage called Class Link. From here, students can choose from many websites to practice their skills. They can also access their Schoology site from Class Link. Schoology is a site that teachers use to put specific content and assignments for students to use.

I have listed the grade 3 teachers' emails below:
