

MORNING

UPK At-Home Learning Activities Calendar

WEEK OF JUNE 8TH
THEME: WEATHER

AFTERNOON

M

1. Gross motor

2. Literacy:

On paper or a white board **write the letter that you hear at the beginning of these weather words:**
Windy, Rainy, Sunny, Cloudy, Hot

1. Fine Motor – Pick your favorite season (winter, spring, summer, fall) and **draw a picture** of something you like to do during that season

2. Math – Do the following math activity:
How Many Raindrops?

<https://letsfindout.scholastic.com/pages/sandbox/activity-how-many-raindrops.html>

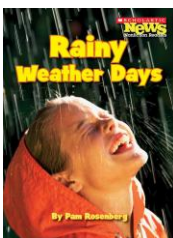

1. Yoga for Kids – “Windy Day”

T

<https://www.youtube.com/watch?v=BIWv9QKU2Ak>

2. Read **Rainy Weather Days** by Pam Rosenberg.

<https://bookflix.digital.scholastic.com/pair/detail/bk0018pr/book?authCtx=U.794217314>

Draw a picture of something you learned about rain

1. Science: **Watch It’s Raining, It’s Pouring** video. What happens when there is too much or too little rain?

<https://watchandlearn.scholastic.com/videos/earth-and-space/weather/its-raining-its-pouring.html>

2. **Cloud Writing:**

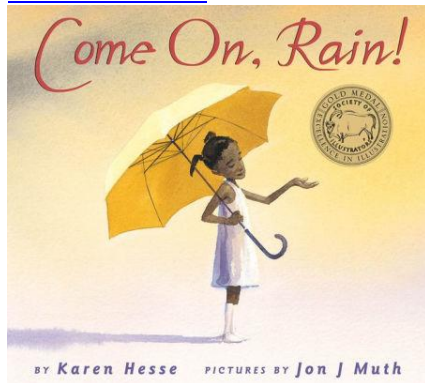

Fill a tray with shaving cream or hair conditioner Write letters, numbers, shapes, or name in the cloud. It’s an easy way for handwriting FUN! Sprinkle in something to pretend it’s raining or snowing like glitter. Don’t want a mess? Put the shaving cream or conditioner in a baggie and students can write on the baggie with no mess!

1. Movement – Act out the Poem “Soil, Water, Air, and Light”

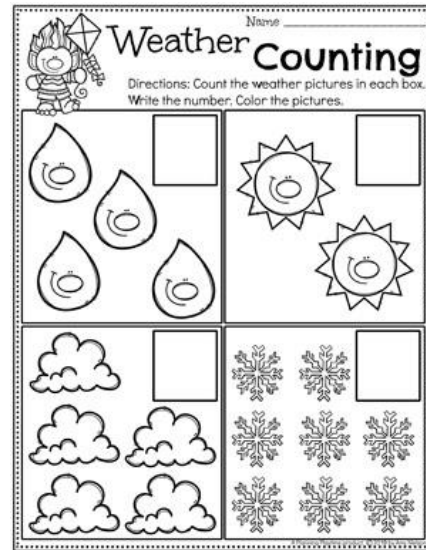

<https://letsfindout.scholastic.com/page/sandbox/activity-soil-water-air-light.html>

2. Click on the link below and listen to the story **Come On, Rain** by Karen Hesse. Draw a picture of something you like to do when it rains.

<https://bookflix.digital.scholastic.com/pair/detail/bk0018pr/story?authCtx=U.794217314>

1. Have your child **count** each weather object and **represent what they counted with a number** on paper or a white board

2. Find a spot outside in your yard and read a book with a buddy. Then lay

down and look up at the sky. **See if the clouds remind you of anything. Sometimes they can be shaped like things you know like animals.**

Wednesday, June 10th is the last day for new instruction this year.

Your teachers are available to help with activities, provide feedback on completed activities, or provide review lessons as needed through June 16th.

Thank you for sharing your children with us this year and for all your support during at home learning.

We hope you have a wonderful summer wondering, playing, exploring, discovering and creating!
