

APRIL HOMEWORK

Monday

Tuesday

Wednesday

Thursday

MATH 30

Solve these math problems:

- 20-8= 19-9=
- 15-7= 16-4=
- 20-6= 17-8=

TEXT (Reading) 31

Read these words. Tap them out on your fingers. Ex. Start s-t-ar-t

- lift hand went**
- must lock gasp**

WRITING 1

Describe your favorite place with 10 adjectives. See if a family member can guess the place!

THINKING 2

What do frogs start out as? Draw a frog's life cycle.

13

Create a word problem with a sum (adding) of 16.

14

Using the letters in the word weather, make as many new words as you can.

15

Write three complete sentences about the earth.

16

What can you find at your house that is growing? Make a list.

20

The target number is 55. Tell what is: ten more, ten less one more, one less

21

Make a list of rhyming words using the word family -ing. Start with the word Spring.

22

Make a list of ways you can help the earth.

23

What makes an animal a reptile? Give 3 or more traits of reptiles.

27

Count backwards from 120 to 67 out loud. Challenge: Write those numbers down

28

Create a list of 5 **compound words** (like butterfly). Illustrate them.

29

As the weather gets warmer, write three sentences or more about something you are looking forward to.

30

Choose something in nature. Use your senses to observe the item closely. Draw it.
