Mrs. Beh’s Buzz

Dear Students,

I can hardly believe that summer is almost over! The time travels so fast—I am sure you feel like you were just finishing your year as a fifth grader!

As you get ready to begin sixth grade, I know that many students worry about what life will be like at the Middle School! It is my hope that this letter will help you become excited about all of the new experiences that you will have during your first year at GCMS!

One exciting thing about the start of our school year is the addition of a student teacher, Ms. Sutliff, to our class. I am excited to welcome her to our class for the first few weeks of the school year!

I am busy preparing a lot of exciting and wonderful activities for us to participate in this coming year! Relax, rest and enjoy the rest of your summer! Your sixth grade year will be challenging, busy and FUN!

I look forward to meeting you!

Mrs. Beh

FYI: This is a monthly publication that students will help create and write articles for... be ready for our coming issues!

Getting to Know

Mrs. Beh

Hello! It is my hope that getting to know me better will help you to feel more calm and excited as you enter this school year. The middle school is a GREAT place to be! This year begins my 11th year of teaching at Gates Chili Middle School. It has been an honor to see many students through the middle school years! I live in Webster with my husband who is also a teacher. He teaches ninth grade Earth Science at Spencerport High School. Our sons, Brendan and Ryan are the “son”shines in our day! Brendan was born on March 3, 2004. Each day, we are amazed at his curiosity and enthusiasm for all that he encounters! This year, he begins 1st grade at State Road School. Our little man, Ryan, was born on September 27, 2006. We love his sweet and gentle spirit. He is such a loving little boy. As he grows, he becomes more and more “hands on”. He begins his very first experience with school this year — preschool! My hobbies include spending time with my family, shopping, scrapbooking, stamping, and basically anything creative! I also enjoy going out to dinner, watching movies, reading, vacationing in WARM places, and relaxing in front of a fire in the fireplace!!

Lastly, I LOVE teaching sixth grade students! It is an honor and so much fun to nurture the growth of the dynamic changes that sixth grade students endure!

September

• 9th: Sixth Grade Orientation Day
• 10th: Community Kick Off Day for grades 6-8

As we journey through the school year, this section will be filled with the many school wide, community wide and class events. The District calendar is also a great resource for all school wide events.
To stay connected to Middle School events, we encourage parents to sign up for “e-News”.
To do this, follow the steps below:
1. Go to the district homepage: www.gateschili.org
2. Look down the left side of the screen until you see the following icon.
   - Click on the graphic and follow the steps. Make sure you check “Middle School” so that you receive our updates.
   - Click on the graphic and follow the steps. Make sure you check “Middle School” so that you receive our updates.

EXTRA! EXTRA!
School begins...and so does the flu season! To help us stay healthy, please consider sending in a box of tissues and a container of Clorox Wipes. We greatly appreciate it!
