Supplies Listing
School Year 2021-2022

The Gates Chili School District has adopted an initiative related to the purchase of school supplies for our students. To address parental concerns of escalating costs, the school district now takes on the responsibility of purchasing many of the basic supplies for your child to use in the classroom. Please reference the list below for the supplies that we are asking you to purchase for your child. If you have any questions, please contact the school directly. Please remember that mid-year your student's supplies should be replenished. Thank you.
