Cornell University College of Engineering Curie Academy 146 Olin Hall Ithaca, NY 14853 607-255-6403 www.engineering.cornell.edu/catalyst E-mail: dpeng@cornell.edu	The CATALYST Academy is a one-week summer residential program for rising high school sophomores, juniors, and seniors. The mission of the CATALYST Academy is to advance diversity in engineering and its related disciplines. Therefore, applications from students from backgrounds (African American, Latino/a, or Native American) critically underrepresented in the fields of science, technology, engineering, and math are especially encouraged. During the CATALYST Academy, Cornell University's world-renowned faculty and graduate students lead participants in classes, lab sessions, and project research. Social events, panel discussions, and other out-of-classroom activities provide participants with opportunities to network informally with Cornell faculty, staff, and students. Applicants must have a minimum GPA of 3.0. Apply online at www.engineering.cornell.edu/catalyst Eligibility: rising high school sophomores, juniors, and seniors	July 17 – 23, 2011 Application Deadline: March 1, 2011	\$1450
Cornell University College of Engineering Curie Academy 146 Olin Hall Ithaca, NY 14853 607-255-6403 www.engineering.cornell.edu/curie E-mail: dpeng@cornell.edu	The CURIE Academy is a one-week summer residential program for high school girls who excel in math and science. The focus is on current sophomores and juniors who may not have had prior opportunities to explore engineering, but want to learn more about the many opportunities in engineering in an interactive atmosphere. Applicants must have a minimum GPA of 3.0. Apply online at www.engineering.cornell.edu/curie Eligibility: current sophomore and junior girls	July 17 – 23, 2011 Application Deadline: March 1, 2011	\$1450

<p>New York State Department of Environmental Conservation Environmental Education Camps 518-402-8014 www.dec.ny.gov/education/29.html E-mail: edcamps@gw.dec.state.ny.us.</p>	<p>DEC campers experience a balance of environmental education, sportsman education and outdoor fun. Games, lessons and hands-on activities teach kids about forests, water quality and other aspects of nature. Swimming, hiking and canoeing are on the agenda, too, as campers learn new outdoor skills. Campers come away with a life-long passion for nature and a dedication to stewardship of our natural resources. DEC runs four camps located across New York State. Camps are filled on a first come, first served basis. Space is limited, interested campers are urged to get their applications in early. Many campers are sponsored by local conservation and community groups, so talk with organizations in your area to find out if they offer scholarships to the DEC environmental education camps.</p> <p>Eligibility: boys and girls ages 12 to 17.</p>	<p>eight week-long sessions in July or August</p> <p>If you have a corporate sponsor, your application can be postmarked as early as Feb. 6, 2010. For parent-paid campers: your application can be postmarked as early as February 27, 2010.</p>	<p>\$325</p>
